25X1 MEMORANDUM FOR: [redacted] Deputy Division Chief
Terrorism and Narcotics Analysis Division, CIA

25X1 FROM: [redacted]
Critical Intelligence Problems Committee

SUBJECT: Counterterrorism Training (U)

1. On 11 February we discussed the possibility of providing to counterterrorism specialists in the Washington area a counterterrorism training course the Army has developed at Ft. Huachuca. DIA had offered to make the course available through its Defense Intelligence College for a two week period this spring but lacked the necessary travel and per diem funds, estimated at about \$5,000. You offered to underwrite that \$5,000 on three conditions:

- the course be reduced to three-to-five days duration,
- it be offered twice during the two week period the instruction staff is in Washington, and
- CIA be accorded priority in distributing the class quotas.

DIA has agreed to those conditions. (C)

2. The finance officer here at the Intelligence Community Staff advises that, to transfer the \$5,000 to DIA, you need only identify the appropriate funds to your finance officer, who will in turn arrange for a letter of transfer to DIA via ADL. (U)

25X1 3. The point of contact at DIA on this matter is [redacted]
